Navigations

A map of the southern coast of Sri Lanka showing a blue route line. The route starts at a red location pin in Unawatuna and ends at a blue arrowhead in Thihagoda. Key locations labeled along the route include Talpe, Koggala, Ahangama, Weligama, Mirissa, Matara, Dondra, Kekanadura, and Akurella. Major roads marked on the map are E01, A17, B3, and B98. To the right of the map are four circular icons: a magnifying glass for search, a speaker with an exclamation mark for notifications, a compass rose for orientation, and a speech bubble with a plus sign for messages. At the bottom left, a white button contains a blue triangle icon and the text "Re-centre". At the bottom right, a red button contains the word "Exit". Below the map, a summary box displays "59 min" in green, "57 km · 2:25 PM" in grey, and a small circular icon with a Y-shaped arrow.
